## Report on Career Counseling on 28/03/2023

The SSG Pareek PG College, Jaipur successfully organized the event "Career Counseling Session" by Dr. Bhawan Pareek, Associate Professor department of chemistry Maharishi Markandeshwar University, at Sadopur, Ambala district, Haryana, in our college campus. The Programme begin 12:30 pm. Approx 60 students were benefited in the Career Counseling Session. Our honorable Principal Dr. N M Sharma presided over the function. And vice principal, Dr. Anju Pareek welcomed the gathering.

career counselor from Maharishi Markandeshwar University, at Sadopur, Ambala district, Haryana, explore our students regarding job opportunity and how we are ready to preparation of competition like CSIR, NET, UGC-NET, GATE, etc.

Career counselors also provide guidance on exploring different career options and understanding the labor market trends. They help individuals research various industries, job roles, and educational pathways to identify potential career paths that align with their interests and aspirations. This involves providing resources such as informational interviews, job shadowing opportunities, and access to career exploration tools and databases.

Overall, career counseling plays a pivotal role in empowering individuals to make informed career decisions, navigate their professional journeys effectively, and ultimately achieve satisfaction and fulfillment in their careers. By providing guidance, support, and resources, career counselors help individuals unlock their full potential and pursue meaningful and rewarding career paths. At the end, vice principal of college Dr. Anju Pareek presented vote of thanks.

## Report on Campus drive by ICICI Bank

Campus placements can be a great opportunity to start career with a reputable institution like ICICI Bank. ICICI Bank, one of India's leading private sector banks, conducted campus placements at S.S.G. Pareek PG College, Jaipur with the aim of hiring talented graduates for various roles within the organization. The placement drive witnessed enthusiastic participation from students across different academic disciplines.

The Programme begin 10:00 AM in the morning. Approx 40 students of Science, Commerce and Arts BBA, BCA were benefited in the Campus drive. Our honorable Principal Dr. N M Sharma presided over the function and vice principal, Dr. Anju Pareek welcomed the gathering. The campus placement drive saw a significant turnout of students from diverse backgrounds, including finance, commerce, management, and technology. The selection process comprised multiple stages, including initial screening in which students submitted their resumes and academic records for screening. Qualified candidates participated in group discussions on relevant topics to assess communication and interpersonal skills. Finalists were interviewed by ICICI Bank representatives to evaluate their suitability for specific roles. Several students received job offers from ICICI Bank for roles such as Probationary Officer (PO), etc.

The campus placement drive was deemed successful, with a considerable number of students securing employment opportunities with ICICI Bank. The selection process was rigorous but rewarding.

The campus placement by ICICI Bank at S.S.G. Pareek PG College provided a valuable platform for students to showcase their skills and secure promising career opportunities in the banking sector. We extend our gratitude to ICICI Bank for their active participation and commitment to nurturing young talent.

## Report on Campus Drive by HPM Chemicals and Fertilizers Ltd

**Date:** 20-12-2021

**Venue:** Seminar hall

HPM Chemicals and Fertilizers Ltd., a leading company in the chemical and agricultural sector, conducted a campus placement drive at our college with the objective of recruiting skilled and enthusiastic individuals for various roles within their organization. HPM Chemicals and Fertilizers Ltd. promoted the campus placement drive through announcements to reach out to eligible candidates. Interested students registered for the placement drive through the college's placement cell. Representatives from HPM Chemicals and Fertilizers Ltd. delivered a pre-placement talk to introduce the company, its core values, and the job opportunities available. They emphasized the significance of the agricultural and chemical sectors in driving economic growth and sustainability.

Finalists underwent personal interviews with HPM Chemicals and Fertilizers Ltd.'s HR and technical panel to evaluate their suitability for specific roles based on their academic background, skills, and aspirations. The campus placement drive by HPM Chemicals and Fertilizers Ltd. received positive feedback from students pursuing studies in agriculture, chemistry, engineering, and related disciplines. Candidates appreciated the exposure to industry professionals and the opportunity to explore career paths in the chemical and agricultural sectors.

HPM Chemicals and Fertilizers Ltd. identified potential candidates during the placement drive who exhibited strong academic performance, technical knowledge, and a keen interest in the agricultural and chemical industries. Successful candidates were extended job offers for internships and full-time positions within the company. The campus placement conducted by HPM

## Report on Campus Drive by Enviro Lab

**Date:** 12-03-2022

**Venue:** Seminar hall

The campus drive conducted by Enviro Labs aimed to recruit talented individuals for various positions within the organization. Enviro Labs is a leading environmental research and consulting firm specializing in sustainability solutions. Enviro Labs collaborated with the college's placement cell to organize the drive. Principal Prof. N.M. Sharma Vice Principal Dr. Anju Pareek welcome the Enviro Lab Organizer and participant. The enviro lab team started the programme with an introductory presentation about the company, its mission, and the available job roles. They highlighted the importance of environmental sustainability and the impact of their work. Candidates underwent a written test assessing their knowledge of environmental science, analytical skills, and problem-solving abilities. Shortlisted candidates participated in group discussions on relevant environmental topics to assess communication and teamwork skills. The campus drive received an enthusiastic response from students across various disciplines, particularly environmental science, engineering, and related fields. Candidates appreciated the opportunity to learn about Enviro Labs' work and its impact on environmental sustainability. Enviro Labs identified promising candidates during the drive. Successful candidates were offered internship and full-time positions based on their performance and the company's requirements. The campus drive by Enviro Labs was a successful endeavor, facilitating the identification and recruitment of talented individuals passionate about environmental sustainability. It also strengthened the relationship between the company and the academic institution.

## Report on Campus Drive by Enviro lab

**Date:** 15-10-2020

**Venue:** Seminar Hall

Enviro Labs, a renowned environmental research and consulting firm, conducted a campus placement drive at our college with the objective of recruiting talented individuals passionate about environmental sustainability and related fields. Interested students registered for the placement drive through the college's placement cell on 15 October 2022. The Enviro Labs team conducted a pre-placement talk to introduce the company, its mission, and the available job roles. They emphasized the importance of environmental conservation and sustainability in today's world. Shortlisted candidates engaged in group discussions on environmental issues to assess their communication and teamwork abilities.

Finalists underwent personal interviews with Enviro Labs' HR and technical panel to evaluate their suitability for specific roles within the organization. The campus placement drive by Enviro Labs garnered a positive response from students specializing in environmental sciences, engineering, and related disciplines. Successful candidates were offered internship and full-time positions based on their performance in the selection process.

The campus placement conducted by Enviro Labs at our college was a mutually beneficial event, providing students with valuable exposure to a leading environmental firm and offering Enviro Labs the opportunity to recruit bright and enthusiastic talent for their organization.

## Report on Campus Drive by HPM Chemicals and Fertilizers Ltd

**Date:** 17-9-2020

**Venue:** Seminar Hall

HPM Chemicals and Fertilizers Ltd., a prominent company in the chemical and agricultural sector, organized a campus placement drive at S.S.G. Pareek PG college with the objective of recruiting talented individuals for various roles within their organization. HPM Chemicals and Fertilizers Ltd. promoted the campus placement drive through multiple channels, including social media, to attract eligible candidates. Interested students registered for the placement drive through the college's placement cell.

Principal Prof N.M. Sharma, Dr. Anju Pareek and Management Committee welcome the recruiters. Representatives from HPM Chemicals and Fertilizers Ltd. conducted a pre-placement talk to introduce the company's history, products, values, and the job opportunities available. They emphasized the importance of innovation and sustainability in the chemical and agricultural industries.

Finalists from the written test and group discussions were interviewed by HPM Chemicals and Fertilizers Ltd.'s HR and technical team to evaluate their fit for specific roles within the company. The campus placement drive by HPM Chemicals and Fertilizers Ltd. received a positive response from students specializing in chemistry, agriculture, engineering, and related fields. Candidates appreciated the opportunity to interact directly with industry professionals and gain insights into career opportunities in the chemical and agricultural sectors.

The campus placement conducted by HPM Chemicals and Fertilizers Ltd. at our college was instrumental in bridging the gap between academia and industry. It provided students with valuable exposure to career prospects in the chemical and agricultural sectors while enabling HPM Chemicals and Fertilizers Ltd. to recruit promising talent.

## Report on Career Counselling Session

**Date:** 12-11-2019

**Venue:** Seminar Hall

The career counseling session held at our college aimed to provide students with guidance and insights into various career opportunities and paths available to them. The career counseling session commenced with an introduction to the importance of career planning and making informed decisions about one's professional journey. A qualified career counselor delivered an engaging presentation covering the following key areas: Understanding individual interests, strengths, and values through assessments. Exploring different career options based on academic background, skills, and personal aspirations. Highlighting emerging trends and job opportunities in diverse industries such as technology, finance, healthcare, and more. Providing information about higher education options, certifications, and skill development programs to enhance employability.

Students had the opportunity for personalized consultations with the career counselor to discuss specific career goals, receive guidance on resume building, interview preparation, and individual career queries.

## Report on Career Counselling

Date: 12-10-2018

Venue: Seminar Hall

The career guidance session held at our college was designed to assist students in exploring career options, understanding industry trends, and planning for their professional futures. The career guidance session began with an overview of the importance of career planning and the significance of aligning academic pursuits with career goals. Approximately 120 students attend the session.

Exploring various career paths based on students' interests, skills, and academic backgrounds. Understanding industry trends and job market dynamics in different sectors. Discussing the importance of gaining relevant experience through internships, projects, and skill development. Providing insights into higher education options, certifications, and professional development opportunities. The session included interactive activities such as career assessment exercises and discussions on individual career aspirations. Students actively participated in Q&A sessions, seeking advice on specific career queries and concerns. Enhanced understanding of the skills and qualifications required for different professions. Encouragement for students to actively pursue internships, industry projects, and skill-building activities to enhance employability. Empowerment of students to make informed decisions regarding their academic and professional pursuits.

The career guidance session proved to be beneficial in equipping students with the necessary tools and insights to navigate their career journeys effectively. It served as a stepping stone towards informed decision-making and proactive career planning among students. Our college remains committed to organizing more such sessions to support students in achieving their career aspirations and goals.
