Infrastructural Initiatives for energy conservation

• Renewable Sources of Energy

S.S.G. Pareek P.G. College. is dedicated to minimize and sustainably manage its use of electricity. The college believes in reducing the consumption of electricity produced by non-renewable resources by switching to clean energy sources like solar energy for purposes like lighting the campus.

• Energy Saving and Energy Efficient Equipment

We commit to install environment-friendly electrical appliances that save energy and reduce wasteful inefficiencies. The college believes in using cleaner energy such as LED lighting.

Conduct Energy Audit

An Energy Audit to be conducted as and when required to further reduce its carbon footprint. The importance of reducing energy consumption cannot be overstated. The energy audit, with its specialized tools will identify wastage of energy. Such an inspection often reveals several different flaws which cause a loss of significant amounts of energy which the college will not be able to detect. These flaws often have easy and affordable solutions and provide significant savings.

Plastic-Free Campus

S.S.G. Pareek P.G. College Jaipur has been observing most of its duties in terms of solid waste management since its inception. In view of the Government of India's resolution to ban all single use plastics due to the hazardous impact of plastic use and pollution, the college administration strictly bans the use of single use plastics in its premise to make it a 'Plastic Free Campus'.

Report on world Environment Day on 05/06/2020

The World Environment Day on 5th June 2020 was celebrated in a meaningful way by all the Department of SSG Pareek PG college. It is imperative that we safeguard the health of our planet at this critical juncture and understand the importance of keeping our planet clean. Hence, to encourage awareness and action to protect our environment, an innovative concept was adopted by all the department to bring in awareness among all the students from all the streams by administering oaths through online mode. Also, as part of World Environment Day, planting of saplings was carried on in the college premises by management members of college.

The pandemic that the world has been facing for over a year now, has taught us an important lesson - We should respect and value the gifts we have got from Mother Nature. The day began with a beautiful message shared by our Principal Dr N M Sharma which motivated everyone to celebrate this special day with great zeal and enthusiasm. Various online activities like plantation at home, slogan writing and poster making were designed for students to keep them aware of environmental issues and the ways to deal with them. The main objective of observing this day was to bring about a change in their attitude towards the environment and advocate partnership between each human being and society to ensure a safe future for all.
