Report on guest lecture

Title: Entrepreneurships in I.T. Sector- dynamics of the tech industry and the principles of effective leadership.

Date of Visit: 19-11-2022

Organizing Institution: S.S.G. Pareek P.G. College, Banipark, Jaipur.

RESORCE PERSON- Anshul Pareek

Introduction: On 19-11-2022, S.S.G. Pareek P.G. College, Banipark, Jaipur had the privilege of hosting a guest lecture by Anshul Pareek, the esteemed Director of JEN InfoTech. The lecture provided a platform for students and professionals alike to gain valuable insights into the dynamics of the tech industry and the principles of effective leadership.

Anshul Pareek, a seasoned entrepreneur and visionary leader, graced the Institution with his presence to share his expertise and experiences with the audience. The guest lecture offered a unique opportunity for attendees to glean wisdom from his illustrious career journey and entrepreneurial endeavors.

Key Highlights of the Lecture:

- 1. Industry Perspectives:** Anshul Pareek commenced the lecture by offering a comprehensive overview of the current trends, challenges, and opportunities within the tech industry. Drawing from his vast experience, he shed light on emerging technologies, market dynamics, and the evolving role of digital transformation in business.
- 2. Entrepreneurial Insights:** As the Director of JEN InfoTech, Anshul Pareek shared invaluable insights into the nuances of entrepreneurship. He discussed the importance of innovation, adaptability, and resilience in navigating the complexities of startup ventures. His personal anecdotes and success stories inspired aspiring entrepreneurs in the audience.

Report on Workshop

Title: Empowering Minds: Workshop on I.T. Techniques by Quadrio I.T. Company at S.S.G. Pareek P.G. College.

Date: 10-02-2021

Venue: S.S.G. Pareek P.G. College.

Resource person- Mirdul Kabra ,CEO Quadrio I.T. Company.

The workshop facilitated a dynamic learning environment where participants had the opportunity to delve into cutting-edge I.T. methodologies, tools, and best practices under the guidance of experts from Quadrio I.T. Company.

The workshop encompassed a diverse range of I.T. techniques, including programming languages, database management, web development, cybersecurity, and emerging technologies such as artificial intelligence and cloud computing. Participants received a holistic understanding of the I.T. landscape, enabling them to adapt to evolving industry requirements.

Experts from Quadrio I.T. Company shared invaluable insights into industry trends, best practices, and career opportunities within the I.T. sector. They offered perspectives gleaned from their extensive experience, providing participants with actionable advice for navigating the competitive landscape and advancing their careers.

Conclusion: The workshop on I.T. techniques by Quadrio I.T. Company at S.S.G. Pareek P.G. College served as a catalyst for empowering individuals with the knowledge, skills, and insights needed to thrive in the digital age. By providing a platform for experiential learning, industry engagement, and networking, the workshop equipped participants with the tools they need to excel in the dynamic and ever-evolving field of information technology. As attendees departed with newfound expertise and connections, the workshop left an indelible impact on their journey towards I.T. excellence and professional growth.

STUDENT VISIT REPORT

Title: Student Visit at A.K. Industry VKI Jaipur, Rajasthan.

Introduction: On 10-3-2022 students from S.S.G.Pareek P.G.College, had the privilege of visiting A. K. Industries, a distinguished manufacturer renowned for its expertise in producing Transformer Tanks, Storage Tanks, Metal Tanks, and related products. The visit aimed to provide students with firsthand insights into the manufacturing processes, technological advancements, and industry practices employed by A. K. Industries in delivering high-quality solutions to its clientele.

The wide array of products offered by us encompasses Distribution Transformers, Power Transformers, Hermetically Sealed Transformers, OLTC Power Transformers (With AVR & RTCC), Furnace Transformers, High Voltage Testing Transformers, Servo Voltage Stabilizers, Multi Stage Booster Transformers & Dry VPI Transformers. We also customized these products as per the specifications and requirements of the clients.

A.K. Industries was established as a sole proprietorship business venture in the year 1992 at Jaipur, Rajasthan, India. A. K. Industries is represented by **Mr. Mahesh Pareek**, Director of the company. He is a man with substantial experience of more than 16 years in this field and possesses vast technical knowledge of the same. **Mr. Anant Pareek**, having a B.E. degree in the field of electronics, assists him in the business operations. Under their able guidance and leadership, the company has earned a position of rapport in Indian market.

Interaction with Industry Experts: The visit facilitated interaction with industry experts and professionals from R Industries. Students engaged in discussions on topics such as transformer design, testing standards, quality assurance, and market trends. The insights shared by the company representatives enriched the learning experience and provided valuable perspectives on the electrical industry.

Guest Lecture Report by Mr. Anant Pareek

Date: - 15-03-2022

Venue: S.S.G. Pareek P.G. College, Jaipur.

Speaker: Mr. Anant Pareek

Mr. Anant Pareek, an esteemed guest lecturer from R. Industries, graced the students and faculty of S.S.G. Pareek P.G. College, Jaipur, with his insightful discourse. With a Bachelor's degree in Electronics Engineering, Mr. Pareek brought a wealth of practical knowledge and industry experience to the lecture hall. The lecture commenced with Mr. Pareek providing an overview of his professional journey, highlighting key milestones and challenges encountered in the field of electronics. His engaging narrative captivated the audience, offering valuable insights into the real-world applications of theoretical concepts learned in academic settings.

Throughout the session, Mr. Pareek emphasized the importance of innovation and adaptability in the rapidly evolving landscape of electronics engineering. Drawing upon his experiences at R. Industries, he shared anecdotes and case studies that showcased the critical role of interdisciplinary collaboration and problem-solving skills in addressing industry challenges.

Furthermore, Mr. Pareek underscored the significance of practical exposure and hands-on experience in complementing academic learning. He encouraged students to seek internships and participate in industry projects to gain invaluable industry insights and enhance their employability prospects.

The interactive session that followed allowed students to delve deeper into specific topics of interest, ranging from career prospects in electronics engineering to the challenges posed by rapid technological obsolescence. Mr. Pareek's responses were insightful and pragmatic, providing students with actionable advice and guidance. Mr. Anant Pareek's guest lecture proved to be a stimulating and enriching experience for the students and faculty of S.S.G. Pareek P.G. College, Jaipur. His expertise, coupled with his passion for the field of electronics engineering, served as an inspiration for aspiring engineers, reaffirming the relevance and significance of academic-industry collaboration in fostering holistic learning and professional development.

Student Visit Report at Shobha Printing Press.

Date of Visit: 9-02 -2022

Place- Shobha Printing Press, Mukharji Colony, Jaipur.

Objective: The student visit to Shobha Printing Press organized by S.S.G. Pareek P.G. College aimed to provide students with practical insights into the printing industry and its operations. The visit sought to supplement theoretical knowledge with hands-on experience, enabling students to gain a deeper understanding of printing technologies, processes, and workflows.

Activities:

- 1. Introduction to Shobha Printing Press:** The visit commenced with an introduction to Shobha Printing Press, including its history, infrastructure, and specialization areas. Students were briefed on the various printing services offered by the press and its clientele.
- 2. Guided Tour of Facilities:** Students were taken on a guided tour of the printing press facilities, including pre-press, press, and post-press sections. They observed firsthand the machinery, equipment, and tools used in each stage of the printing process.
- 3. Demonstrations:** Knowledgeable staff members demonstrated key printing techniques, such as offset printing, digital printing, and screen printing. Students had the opportunity to observe printing machines in operation and learn about color mixing, paper handling, and quality control measures.
- 4. Interactive Sessions:** Interactive sessions were conducted where students could engage with printing professionals and ask questions about industry practices, challenges, and technological advancements. Students gained insights into the evolving landscape of the printing industry and potential career opportunities.
- 5. Hands-on Activities:** To enhance the learning experience, students participated in hands-on activities such as setting type, preparing printing plates, and operating small printing machines under supervision. This allowed them to apply theoretical concepts in a practical setting and develop technical skills.

6. **Q&A Session:** A dedicated question-and-answer session provided students with the opportunity to seek clarification on printing processes, equipment, and career pathways. Experts from Shobha Printing Press addressed queries and shared valuable insights to enrich students' understanding.

Outcomes:

1. **Practical Understanding:** The visit provided students with a practical understanding of printing technologies, processes, and industry standards, complementing their academic knowledge with real-world experience.
2. **Industry Exposure:** Students gained valuable exposure to the workings of a professional printing press, learning about the intricacies of production, quality control, and client management in the printing industry.
3. **Skill Enhancement:** Hands-on activities and demonstrations helped students develop technical skills relevant to printing, such as color management, image processing, and machine operation, enhancing their employability and career readiness.
4. **Career Insights:** Interaction with printing professionals and exposure to industry practices offered students valuable insights into potential career pathways in the printing and publishing sectors, inspiring informed career choices.

Conclusion: The student visit to Shobha Printing Press facilitated by S.S.G. Pareek P.G. College served as an enriching educational experience, bridging the gap between theory and practice in the field of printing technology. By fostering hands-on learning, industry exposure, and skill development, the visit contributed to the holistic education and professional development of students pursuing careers in the printing industry.

Acknowledgments: We extend our sincere gratitude to Shobha Printing Press for hosting the student visit and providing valuable insights into the printing industry. Special thanks to the staff and management for their hospitality, knowledge sharing, and facilitation of a rewarding learning experience.

REPORT ON STUDENT ENGAGEMENT

Fostering Student Engagement: S.S.G. Pareek P.G. College Collaborates with Sur Seva Sanstha, Mumbai, and Maharashtra.

Date: 3-02-2023

Venue: S.S.G. Pareek P.G. College

Introduction: Student engagement is a cornerstone of holistic education, fostering personal growth, community involvement, and cultural enrichment. Recognizing the importance of nurturing student engagement beyond the classroom, S.S.G. Pareek P.G. College embarked on a collaborative initiative with Sur Seva Sanstha, Mumbai, and Maharashtra. This partnership aimed to provide students with meaningful opportunities for involvement, creativity, and social impact through artistic endeavors.

The collaborative effort between S.S.G. Pareek P.G. College and Sur Seva Sanstha brought together students, faculty, and artists to celebrate the spirit of creativity, collaboration, and cultural exchange.

Sur Seva Sanstha, renowned for its dedication to promoting Indian classical music, conducted workshops and master classes for students interested in vocal and instrumental music. These sessions provided students with the opportunity to refine their skills, learn from accomplished artists, and immerse themselves in the rich traditions of Indian music. Additionally, students had the chance to showcase their talents through performances and recitals, fostering a culture of artistic expression and appreciation within the college community.

The collaboration facilitated cultural exchange programs between students of S.S.G. Pareek P.G. College and artists associated with Sur Seva Sanstha. Students had the opportunity to interact with artists, learn about diverse musical styles and traditions, and gain insights into the creative process. These interactions fostered cross-cultural understanding, broadened perspectives, and enriched the cultural fabric of the college community.

Students from S.S.G. Pareek P.G. College collaborated with Sur Seva Sanstha on various projects aimed at promoting music education, cultural awareness, and social impact. From organizing music workshops for underprivileged communities to participating in fundraising concerts for charitable causes, students actively contributed to initiatives that harness the transformative power of music for positive change.

The collaboration extended beyond the college campus, with students and faculty engaging in outreach activities organized by Sur Seva Sanstha in Mumbai and surrounding areas.

Through music performances, workshops, and community events, students had the opportunity to connect with diverse audiences, inspire social change, and foster goodwill in the community.

The collaboration between S.S.G. Pareek P.G. College and Sur Seva Sanstha laid the foundation for a long-term partnership aimed at promoting student engagement, cultural exchange, and social responsibility. By nurturing talent, fostering creativity, and empowering students to make a positive impact through music, the partnership exemplified the transformative potential of collaborative endeavors in education and the arts.

The collaborative effort between S.S.G. Pareek P.G. College and Sur Seva Sanstha, Mumbai, Maharashtra, exemplifies the power of partnership in fostering student engagement, cultural enrichment, and social impact. Through workshops, performances, collaborative projects, and community outreach initiatives, students had the opportunity to cultivate their talents, broaden their horizons, and contribute meaningfully to society. As the partnership continues to evolve, it serves as a testament to the enduring value of collaboration in creating transformative educational experiences and nurturing the leaders of tomorrow.
