Guest Lecture Report on Controlled Use of Herbicides

Date: -18-02-2023

Venue: S.S.G. Pareek P.G. College, Jaipur

Speaker: Mr. Hariom from Triveni Agro Industries, Ajeetgarh, Jaipur.

Mr. Hariom, a distinguished expert from Triveni Agro Industries, delivered an enlightening guest lecture on the controlled use of herbicides to the botany students at S.S.G. Pareek P.G. College, Jaipur. With his extensive experience and expertise in agricultural sciences, Mr. Hariom provided valuable insights into the responsible application of herbicides in modern agriculture.

The lecture commenced with Mr. Hariom providing an overview of the importance of herbicides in weed management and crop protection. He elucidated the detrimental effects of weeds on crop yield and quality, emphasizing the need for effective weed control strategies to ensure agricultural productivity and sustainability.

Mr. Hariom delved into the science behind herbicides, elucidating the mechanisms of action and modes of application. He stressed the significance of selecting herbicides based on factors such as weed species, crop type, and environmental conditions, to optimize efficacy while minimizing adverse effects.

Central to the lecture was the concept of controlled use and stewardship of herbicides. Mr. Hariom emphasized the importance of adhering to recommended dosage rates and application techniques to mitigate the risk of herbicide resistance, environmental contamination, and non-target damage. He underscored the role of integrated weed management approaches, incorporating cultural, mechanical, and biological control methods alongside herbicide use, to achieve sustainable weed control outcomes. Throughout the session, Mr. Hariom engaged the students with real-life case studies and practical demonstrations, illustrating best practices in herbicide application and highlighting common pitfalls to avoid. He encouraged critical thinking and decision-making skills among the students, urging them to consider factors such as weed biology, herbicide selectivity, and application timing in their approach to weed management. Mr. Hariom's guest lecture on the controlled use of herbicides proved to be a valuable learning experience for the botany students at S.S.G. Pareek P.G. College, Jaipur. His expertise, coupled with his passion for sustainable agriculture, inspired students to adopt responsible practices in weed management and contribute to the advancement of agricultural sciences. The lecture served as a testament to the importance of industry-academia collaboration in fostering knowledge dissemination and promoting environmental stewardship in agriculture.
